

Wetlands Reserve Program Workshop

New Boston, May 6 at 6:00 p.m.
New Boston Community Center, 301 N. Front Street

Benefits to private property landowners and Tribes

- Technical and financial assistance
- Voluntary program
- Fair market value paid for retired acreage
- WRP offers three enrollment options:
 - Restoration cost-share agreement
 - 30-year easement
 - Permanent easement

Natural Resources Conservation Service (NRCS) employees will provide an overview of the program that includes land eligibility and how to enroll eligible acreage, along with information on conservation easement enrollment options.

For more information contact the NRCS office in New Boston at (903) 628-6509 ext 3.

Applications now being accepted

For more information about WRP contact your NRCS office or visit the NRCS Texas Web site at www.tx.nrcs.usda.gov/programs/wrp.
