

February 28, 2001

NATIONAL ENGINEERING MANUAL 210-500/545 SUPPLEMENT NO. 12

Subject: Missouri Supplement to National Engineering Manual

Purpose: To update engineering policy to the National Engineering Manual.

Effective Date: This supplement is effective upon receipt.

Explanation of Update: The information in this supplement completes the recent updates of all the Missouri supplements. All Missouri Supplements replaced by this supplement shall be discarded. The changes in this update are minor. The number at the right hand top of each page indicates the first item on the page or the MO Exhibit number.

The national office is in the process of updating the National Engineering Manual. These Supplements will be updated as the changes are made to the NEM. Please keep the state conservation engineer informed of items in the Missouri Supplements that need to be changed or added.

Forms shown in this supplement are current as of this date. Use current forms as shown in Missouri Engineering Forms Handbook. The forms are also available on the Internet.

National Engineering Manual 210-500/545 Supplements No. 9 thru 12 update all Missouri Supplements to the NEM. Any Missouri Supplement dated prior to August 2000 should be discarded.

Filing Instructions:
