

Landowner Interview Agenda

- Meet and greet between NRCS staff and Landowner
- Review with Landowner the NRCS FRPP program including the partnership with landowners and entities over the 18 month period.
- Discuss compensation with landowner.
- Review the cooperative agreement with landowner
- Allow for Question and Answer session
- Provide Landowner with NRCS contact information if questions arise
- NRCS will then meet with Entity to discuss current progress and address any issues
- NRCS staff will then walk the easement property and perform Hazardous Material Checklist (Landowner is invited to participate in this site walk – if they elect not to attend a NRCS member will begin the walk during the landowner interview.)
