SUBJECT: EOP – Hispanic Heritage Month 2006

TO: All NRCS Employees

File Code: 230

Hispanic Heritage Month will be celebrated from September 15 - October 15, 2006. The theme is "Hispanic Americans: Our Rich Culture Contributing to America's Future," which celebrates the positive influence Hispanic Americans continue to have in America. We should acknowledge and celebrate the great strides they have made through the years and continue to cultivate such notable leaders in the Federal Government.

Please join me in supporting those activities taking place around the Nation in commemoration of Hispanic Heritage Month. For additional information on the Hispanic Emphasis Program, please contact Gilberto F. Guerrero, National Hispanic Emphasis Program Manager, at (301) 504-2336.
