CONSERVATION SECURITY PROGRAM CONTRACT**

- 1 ELIGIBILITY REQUIREMENTS FOR CONSERVATION SECURITY PROGRAM (CSP)**
- A** The Participant must complete and file the form AD-1026 and meet the requirements set forth therein, in accordance with the Food Security Act of 1985, as amended. By signing this Contract, the Participant certifies that the Participant has completed and filed the AD-1026 and meets the requirements set forth in the highly erodible land-wetland (HEL-WELC) provisions.
- B** The Participant must complete and file form CCC 526, Income Limitation Certification, and meet the requirements therein. By signing this Contract, the Participant certifies that the Participant has completed and submitted form CCC 526 and meets the requirements therein.
- C** The Participant must have control of the land for this Contract period. By signing this Contract, the Participant certifies that the Participant will control the land subject to this Contract for the terms of this Contract period and shall, upon demand, provide evidence to CCC demonstrating that such Participant will control the land for that period. The Bureau of Indian Affairs (BIA) and NRCS will determine tribal land eligibility.
- D** A Participant shall not be eligible for payments: (1) for practices that are required to meet highly erodible land and wetland conservation compliance requirements found in 7 CFR Part 12, or (2) that are included in maintenance agreements (with financial reimbursements for maintenance) that have existed prior to participation, or (3) for the maintenance of equipment.
- E** Land otherwise eligible for the CSP shall not be eligible if the land is publicly owned, enrolled in CRP, WRP, or GRP, is subject to a deed or other restriction prohibiting the application of the conservation stewardship plan and associated stewardship practices and activities or where a benefit has or will be obtained from a Federal agency in return for the Participant's agreement not to implement the conservation plan and associated practices on the land during the same time as the land would be enrolled in the CSP. By signing this Contract, the Participant certifies that no such restrictions apply to the subject land.
- F** A Participant is responsible for obtaining the authorities, permits, easements, or other approvals necessary for the implementation, operation, and maintenance of the conservation practices in accordance with applicable laws and regulations. A Participant must comply with all laws and is responsible for all effects or actions resulting from the Participant's performance under this Contract.
- G** The Participant must be entitled to a share in the crop or livestock available for marketing from the applicable agriculture operation to be eligible to participate in CSP.

## 2 SELECTING OFFERS FROM PRODUCERS

All applications from priority watersheds will be evaluated using enrollment categories based on specific sign-up criteria until funding is exhausted. The CCC-1200 and its appendix is a request to enter into the Conservation Security Program under the terms specified in this Contract.

## 3 AGREEMENT

The Participant agrees:

- (1) To place eligible land into the CSP for a period of time as specified on the CCC-1200 from the date this Contract is executed by CCC;
- (2) Not to start any financially assisted practice or activity or engage the reimbursable services of a certified Technical Service Provider before this Contract is executed by CCC. The Participant may be granted a waiver, in writing, to this requirement by the NRCS State Conservationist or designee;
- (3) To apply or commence financially assisted practices or activities as agreed to in this Contract. The Participant may request, in writing, a waiver of this requirement and Contract modification from the NRCS State Conservationist;
- (4) To establish conservation practices specified in this conservation stewardship plan and Contract as scheduled and to operate and maintain new or existing practices specified in the conservation stewardship plan for the service life identified in this Contract and to comply with the terms and conditions of this Contract and all Federal, State, Tribal and local laws that apply to the conservation stewardship plan content or the Participant's entire agriculture operation;
- (5) Not to undertake any action on land under the Participant's control which tends to defeat the purposes of the CSP program, as determined by CCC;
- (6) To discontinue work in the general area of the site and notify NRCS immediately if during the construction of any practice a previously unidentified archeological or historical site is encountered;
- (7) To provide receipts, as necessary, as proof of payments, and to maintain proof of payment documentation, for 3 years after the end of the fiscal year in which the practice or activity was completed, and to present this documentation to CCC within 30 days if selected for administrative compliance check;
- (8) To allow access to the land under Contract of the CCC representative for monitoring progress of this Contract and to ensure the operation and maintenance practice is being carried out for the life of the practice;
- (9) To maintain at least the level of stewardship identified in the benchmark for the entire Contract period;

- (10) To modify or update an existing practice, if necessary, to meet minimum Field Office Technical Guide (FOTG) practice standards within twelve months after the date of determination that the practice does not meet the standard, and;
- (11) If applicable, to file a single application for a joint operation.

#### **4 PAYMENTS**

- A** Subject to the availability of funds, CCC will make stewardship, existing practice, new practice or enhancement payments at the rates specified in this Contract after a determination by CCC that an eligible practice or activity has been established in compliance with the CSP plan of operations and in accordance with appropriate standards and specifications. In order to receive payments, the Participant, upon technical certification of the completed practice or activity, must execute and file with CCC a form CCC-1245, Practice Approval and Payment Application, along with any receipts, as necessary.
- B** In order to be reimbursed for technical services approved under this agreement and performed by a certified Technical Service Provider ("TSP") hired by the Participant, a Participant must execute a request for payment in the form CCC-1245. The Participant must also submit to CCC an invoice from the TSP for the work performed as well as any documentation CCC may require in order to ensure that the technical services were carried out in accordance with NRCS requirements and specifications.  
  
It is the Participant's responsibility to ensure that the technical services obtained from a TSP hired by the Participant meet program requirements. CCC will not reimburse the Participant if the technical services provided by the TSP do not meet CSP requirements. If CCC terminates this Contract as provided under section 9 of this appendix, CCC may seek reimbursement of any TSP payments made to the Participant.
- C** All payments received as part of a CSP Contract are reported to the US Internal Revenue Service on form 1099-G. For information related to tax liabilities consult with a tax accountant or refer to IRS publication 225, Farmers Tax Guide.
- D** Participants will not be paid for practices within their stewardship plan that are required to meet highly erodible land and wetland conservation compliance requirements found in 7 CFR Part 12, practices or activities that are included in maintenance agreements (with financial reimbursements for maintenance) that have existed prior to the Participant's conservation stewardship Contract approval or maintenance of equipment or other practices considered typical in farm or ranch operations, or for practices receiving payment through other cost share programs.
- E** Payments will only be issued for practices that meet or exceed the practice standards ascribed in FOTG.
- F** Payment under this Contract is subject to the availability of funds. In the event that annual funding is insufficient to fund existing Contract requirements, payments on the existing Contracts will be prorated in that Contract year, as determined by the Chief.

## 5 PROVISIONS RELATING TO TENANTS AND LANDLORDS

No payment will be approved for the current year if CCC determines that any of the following conditions exist:

- A** The landlord or operator has not given the tenants that have an interest in the unit of concern covered by the conservation stewardship plan, or that have a lease that runs through this Contract period at the time of sign up, an opportunity to participate in the benefits of the program.
- B** The landlord or operator has adopted any other scheme or device for the purpose of depriving any tenant of any benefits to which such tenant would otherwise be entitled. If any such conditions occur or are discovered after payments have been made, all or any part of the payments, as determined by CCC, must be refunded with interest and no further payments shall be made.

## 6 ERRONEOUS REPRESENTATION AND SCHEME AND DEVICE

- A** A Participant who is determined to have erroneously represented any fact affecting a determination with respect to this Contract and the regulations applicable to this Contract, adopted any scheme or device which tends to defeat the purposes of this Contract, or made any fraudulent representation with respect to this Contract, will not be entitled to payments or any other benefits made under this Contract. The Participant must refund to CCC all payments received plus interest and administrative costs.
- B** CCC will charge interest on monies it determines to be due and owing to CCC under this Contract from the date such monies were originally disbursed. The interest rate will be determined using the current value of funds rate, published annually in the Federal Register by the United States Department of Treasury.
- C** The provisions of paragraph 7A of this Appendix shall be applicable in addition to any other criminal and civil fraud statutes.

## 7 CHANGES TO TERMS AND CONDITIONS OF THE CONTRACT

- A** If any changes to the terms and conditions of this contract become necessary prior to the date that this contract is approved on behalf of CCC, CCC will notify, in writing, the Applicant signing the CCC-1200 of such change and such person(s) will be given 10 days from the date of notification in which to agree to the revised terms and conditions or to withdraw from the contract request. The Applicant agrees to notify, in writing, the CCC of an intention to withdraw from the contract request within 10 days from the date of the issuance of such notice and further agrees that failure to notify the CCC will constitute agreement to the revised terms and conditions.

- B** CCC may unilaterally modify this Contract when:
- (1) The installed measure has deteriorated because of conditions beyond the control of the Participants;
  - (2) Another practice will achieve at least the same level of environmental benefits;
  - (3) It is necessary to add funds to this Contract for the Participant to reimburse technical assistance provided by a TSP, or
  - (4) The installed practice would cause adverse impacts to significant cultural and/or environmental resources discovered as a result of installation
- C** The Participant and CCC may modify this Contract by mutual agreement when:
- (1) Both the Participant and the appropriate approving authority (State Conservationist or Designated Conservationist) agree to this modification;
  - (2) At the request of the Participant, if the modification is consistent with the purposes of CSP, or the Participant requests to increase tier level, upon approval by NRCS, and the tier level is met and maintained for a period of twelve months;
  - (3) A transfer of this Contract occurs, provided NRCS approval is obtained and the transferee accepts the terms of this Contract, and the transferee is eligible and accepts all responsibilities under this Contract including operation and maintenance of those practices already installed or to be installed.
- D** All modifications to this Contract must be made in writing.

## **8 CORRECTIONS**

CCC reserves the right to correct all errors in entering data or the results of computations in this Contract.

## **9 TERMINATION OF CONTRACT**

If the Participant fails to carry out the terms and conditions of this Contract, CCC may terminate this Contract or determine that such failure does not warrant termination. In either case, CCC may require the Participant(s) to refund, with interest, payments received under this Contract, or require the Participant(s) to accept such adjustments in the subsequent payments as are determined to be appropriate by CCC.

Repayments determined by CCC to be due and owing to CCC under this provision will accrue interest at the current value of funds rate, published annually in the Federal Register by the United States Department of Treasury, from the date originally disbursed to Participant up to the day the repayment is received by CCC. Participants may retain payments received under this Contract if the Participant has fully complied with the terms and conditions of this Contract before termination, as determined by the CCC.

The CCC may terminate this Contract, in whole or in part, without liability, if CCC determines that continued operation of this Contract will result in the violation of a Federal statute or regulation, or if CCC determines that termination would be in the public interest.

## **10 RECOVERY OF COST**

In the event the Participant violates the terms of this Contract, the Participant voluntarily terminates this Contract before any contractual payments have been made or this Contract is terminated with cause by CCC, the CCC will incur substantial costs in administering this Contract which may not be possible to quantify with certainty. Therefore, in addition to the refund of payments plus interest due as set forth in paragraph 9, the Participant agrees to pay an amount equal to 20 percent of the total financial and technical assistance obligated to the Participant in this Contract, at the time of termination. This payment is for recovery of administrative costs and technical services and is not a penalty.

The Participant may be required by the CCC to refund all or a portion for any assistance earned under CSP if the Participant sells or loses control of the land under a CSP contract and the new owner or Participant is not eligible for CSP or refuses to assume responsibility the land changes hands.

## **11 EFFECTIVE DATE**

This Contract is effective when signed by the Participants and an authorized representative of CCC. Except as otherwise provided for herein, this Contract may not be terminated or modified unless by mutual agreement between the parties. Within the dates established by CCC, this Contract must be signed by all required Participants.

In the event that a statute is enacted during the period of this Contract which would materially change the terms and conditions of this Contract, the CCC may require the Participant to elect between modifying this Contract consistent with the provisions of such statute or Contract termination.
