WASHINGTON BULLETIN WA190-7-2

SUBJECT: ECS - ANNOUNCEMENT OF THE NRCS ENVIRONMENTAL CREDIT TRADING INFORMATION SERIES - CARBON CREDIT TRADING ON RANGELAND

Purpose. To transmit Carbon Credit Trading on Rangelands Informational Document

Expiration Date. September 30, 2007

National Bulletin NB 190-7-17 (attached) transmitted the initial document in the NRCS Environmental Credit Trading Information Series. The series is designed to prepare employees to answer questions for producers and land managers who visit Service Centers or ask to learn more about environmental credit trading and other marketing mechanisms that might be available.

The first informational document in this series covers Carbon Credit Trading on Rangelands and is attached. The role of NRCS is pretty clear in the attached fact sheet.

Please contact Gerald Rouse, State Rangeland Management Specialist with related issues you want addressed in Washington State.
