

PART 504 — SPECIAL INVESTIGATIONS, STUDIES, AND REPORTS

SUBPART C – SEDIMENTATION SURVEYS OF SELECTED RESERVOIRS

WA504.21(a)

WA504.21 Survey plans

- (a) Washington NRCS will not collect sediment survey data as outlined in this section. The state regulatory agency Washington State Department of Ecology (DOE) maintains the environmental quality data base for sediment and nutrients effecting surface water quality for the state.
