WASHINGTON BULLETIN WA300-9-3

SUBJECT: FY2009 Wetland Reserve Program (WRP) State Plan

Purpose. Transmit FY2009 WRP State Plan

Expiration Date. September 30, 2009

This bulletin transmits the FY2009 Wetland Reserve Program (WRP) State Plan. This plan is a starting point for WRP activities in FY2009. At this time we are still awaiting the publication of the WRP Rules based on the 2008 Farm Bill statute. The outcome of the rule making process could alter portions of our WRP State Plan.

In addition to the state plan the following documents are attached for your use:

- FY2009 WRP Ranking Tool
- Spreadsheet file listing all easements and agreements (for your data entry)
- Procurement Request Worksheet
- All Appropriate Inquires Worksheet (hazardous materials review process)
- Preliminary Certificate of Inspection and Possession

If you have any questions please contact Dave Brown, ASTC-P, at (509) 323-2971 or Chad Dunnahoo, State WRP Coordinator, at (509) 323-2991.
