

Helpful Hint—How to Add an ArcMap County Template

Applies to Version:	Toolkit SP-4
Written by:	June Johnson Washington NRCS Toolkit Coordinator
Helpful Hint Date:	06-19-2008

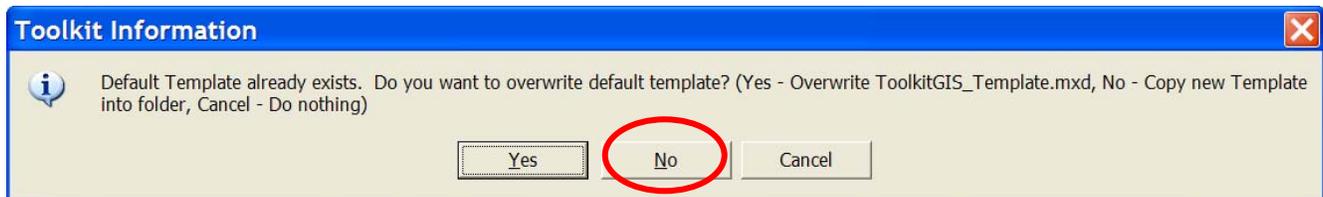

Check out a Customer in Toolkit and open their file. Go to the Customer File tab.

In the box that pops up, click on the down arrow and browse to O:\ArcGIS92_Templates. Select your county from the list and click Open.

When this message pops up, select **No**:

Start ArcMap by double clicking on <county>_ArcGIS92_Toolkit_Template.mxd
