WASHINGTON BULLETIN WA360-10-1

SUBJECT: PER - 2010 Conservation Boot Camp Instructor

Purpose. To recruit instructors for the FY 2010 Conservation Boot Camp

Expiration Date.

ACTION REQUIRED BY: NOVEMBER16, 2009

This fiscal year, our agency will continue to offer conservation boot camp to our newest technical employees. Conservation Boot Camp provides a strong foundation for building excellent conservationists, like you. As described in NB 360-10-2, attached, the National Employee Development Center (NEDC) is seeking experienced planners to help instruct at the boot camps.

I strongly encourage you to consider this opportunity, which will not only help our new employees, but will solidify and strengthen your own skills, and give you an excellent chance to network and exchange good ideas with others in our agency.

Please review the information in the bulletin, discuss with your supervisor, and if you are interested, notify Sherre Copeland, Training Officer, by November 16, so we can aggregate our nominations at the State level.

I know Washington has some experienced, accomplished planners, and I look forward to nominating you to share your knowledge and support our agency. Thank you for considering this commitment.
