- [Phosphorus Fertilizer: Broadcast Banding and Starter](#), EB1637

### Irrigation water quality

- [Irrigation Water Quality for Crop Production in the Pacific Northwest](#), PNW597E

### Manure management

- [Animal Manure Data Sheet](#), EB1719
- [Date, Rate and Place: The Field Book for Dairy Manure Applicators](#), PNW0506
- [Fertilizing with Manure](#), PNW0533
- [Keeping Track of Manure Nutrients in Dairy Pastures](#), PNW0549
- [Managing Livestock Manure to Protect Groundwater](#), EB1717
- [Manure Sampling for Nutrient Analysis with Worksheets for Calculating Fertilizer Values](#), EB1819
- [Which Test is Best? Customizing Dairy Manure Nutrient Testing](#), PNW0505

### Nutrient management and fertilizer guides

- See pubs.wsu.edu and search 'fertilizer guide' – most are older and only available in print format.
- [Management of Urea Fertilizer to Minimize Volatilization](#), EB173
- [Nitrogen Management for Hard Wheat Protein Enhancement](#), PNW0578
- [Nitrogen Uptake and Utilization by Pacific Northwest Crops](#), PNW0513
- [Nutrient Management Guide for Dryland and Irrigated Alfalfa in the Inland Northwest](#), PNW0611
- [Nutrient Management for Field Corn Silage and Grain in the Inland Pacific Northwest](#), PNW615
- [Nutrient Management for Onions in the Pacific Northwest](#), PNW0546
- [Phosphorus Fertilization of Irrigated Soils in Central Washington](#), EB0602
- [Potato Use of Phosphorus and Potassium in Sandy Soils](#), XB1004E
- [Soil Management for Small Farms/Farming West of the Cascades Series](#), EB1895

### Soil pH and management

- [Acidifying Soil for Crop Production West of the Cascade Mountains](#), PNW599E

### Soil salinity and management

- [Managing Salt Affected Soils for Crop Production](#), PNW601E

### Soil sampling and testing

- [Monitoring Soil Nutrients Using a Management Unit Approach](#), PNW0570E
- [Analytical Laboratories & Consultants Serving Ag in the PNW](#), EB1578E
