GENERAL MANUAL (GM)  
WA360-PER  
Supplement WA02 (Part 420)

SUBJECT: PER -Safety and Health Management Program

Purpose. To transmit Amendment WA02 to Part 420, Safety and Health Management Program

Effective Date. This amendment is effective upon receipt.

The attached Washington Supplement clarifies Washington NRCS policy for the Safety and Health Management Program. The NRCS Safety and Health Management Program covers all items necessary to ensure that employees are provided facilities, equipment, and work procedures free from recognized safety and health hazards. Washington State supplement to the national policy is identified in italics.

Filing Instructions.

This policy is a combination of National GM Part 420, Subparts A, B and O and Washington Supplements to these subparts. If filing in hard copy, please remove any Washington State Supplements and National GM for the above mentioned subparts. This policy will be posted to the Washington Web-site for reference.
