

TECHNICAL NOTES

USDA-Natural Resources Conservation Service
Boise, Idaho

July 2011 Revision 1

INDEX FOR BIOLOGY TECHNICAL NOTES

1. Pollinators, April 18, 2007
2. Private Fish Hatcheries (Rev. 3), February 18, 1982
3. Building Wildlife Friendly Fences, March 31, 2009
4. Habitat Protection in Sage Grouse Range
5. Growth Habits and Food Production of Upland Game Bird Food Plants, July 1971
6. Why Save Endangered Species?, July 2011 Revision 1
7. Transport of Live Fish, February 04, 1982
8. How to Get Started in Fish Farming, July 01, 1974
9. Instream Flow Requirements for Trout, March 21, 1975
10. Biologic (Beaver) Non-Structural Alternative Treatment for Eroding Riparian (Stream) Ecosystem, September 1985
11. Appraisal of Bass-Bluegill Ponds by Fishing Results, June 22, 1976
12. Fish Facts – Basic Information for Fish Producers, May 14, 1982
13. Aquaculture Resource Assessment Guide, July 13, 1982
14. Status of Fishery Chemicals in 1985, April 01, 1987
15. CANCELLED
16. CANCELLED
17. CANCELLED
18. Assessing Water Quality – For Agriculture, Fisheries and Domestic Uses, March 1984

19. Wildlife Habitat Appraisal Guides for Idaho, Revised December 2006
20. Offsite Method Wetland Mapping Conventions for 1985 Food Security Act (FSA), 1990 Food, Agriculture, Conservation, and Trade Act (FACTA); and the Corps of Engineers Wetlands Delineation Manual, July 1996
21. List of Wetlands Consultants, January 1998
22. Constructed Wetland Systems, February 1999
23. Watering Facilities (revised), March 2007
24. Fish Passage Guidelines, April 1999
25. Idaho Interim Functional Assessment for Riverine Wetlands on the Floodplains of Low-to-Moderate Gradient, 2nd or 3rd Order Streams on Fine Textured Substrates, April 1999
26. Idaho Interim Functional Assessment for Low-Gradient Broad Basin, Ground water Fed, Slope Wetlands with Spring Fed Riverine Inclusion, April 1999
27. Birds in a Sagebrush Sea – Managing Sagebrush Habitats for Bird Communities, August 1999
28. Bat Conservation International, Inc., November 03, 1999
29. Stream Visual Assessment Protocol (SVAP), February 6, 2001
30. Wetland Restoration, Enhancement, and Management, September 30, 2003
31. National Biology Technical Notes, July 2011 Revision 1
32. Ground-Dwelling Squirrels of the Pacific Northwest, April 2003
