CSP Enhancement Certification Sheet

Ozone Precursors

Participant Acknowledgement Statement:

I agree to apply this enhancement under the terms and conditions of my CSP contract and understand the requirements of the activity.

This enhancement requires a participant to implement and/or maintain **two** or more of the following activities that relate to their operation/enterprise. **Note:** If the participant selects another air quality enhancement, the participant will only be paid once for implementing and/or maintaining a particular activity if such activity is required in both enhancements.

CSP Enhancement Certification Sheet

Activities applicable primarily to animal feeding enterprises:

- Implement a and/or maintain biofilters system on enclosed structures to treat exhausts
- Implement and/or maintain a wet or dry scrubber or bioscrubber system on enclosed structures to treat exhausts
- Use additives in animal housing and/or manure storage structures and areas

Compensation will be on a per unit basis as described in my CSP contact.

I agree that the following information will be provided to NRCS upon request:

1. Written documentation of the activity performed.
2. Copies of dated receipts for equipment or services purchased.

I understand that it is my responsibility to obtain all necessary permits and to comply with all laws, regulations and ordinances pertaining to the application of these activities.
