CSP Enhancement Certification Sheet

- Conduct Electro-Magnetic Induction (EMI) mapping.**
Payment is for acres in each field in which EMI mapping procedures were used to determine spatial variability of soil salinity before management alternatives were developed.

Documentation Required:

Use the following table for documentation and attach a plan map showing the locations of those fields which have had EMI mapping procedures performed.

Management Units	Management Unit Acres	Year Applied

I agree that the following information will be provided to NRCS upon request:

1. Copies of EMI maps for the fields listed above.
2. Copies of dated receipts for equipment or services purchased.
3. Copies of consultant recommendations, and narrative description of management decisions.

I understand that it is my responsibility to obtain all necessary permits and to comply with all laws, regulations and ordinances pertaining to the application of these activities.
