

## **Part 404 – Land Treatment Long-Term Contracting**

### **Subpart F – Contract Administration**

#### **ID404.50 Modifications**

- (8) Significant changes in cost-share programs.
  - (i) Modifications for increasing or decreasing average cost, specified maximum costs, or flat rates are required when the change in the cost-share obligation is significant or failure to modify the contract would result in extensive loss to the participant. **In Idaho significant change has been defined as \$2500.**
