GENERAL MANUAL
420- SSC
AMENDMENT ID6

SUBJECT: SSC – Social Sciences

Purpose: To transmit amendment ID6 to Part 401, Subpart D

Effective Date: Upon receipt

This amendment provides the most recent State Level Agreement between the Natural Resources Conservation Service (NRCS) and the Idaho State Historic Preservation Office (SHPO) in regards to conservation activities on historic properties and/or cultural resource protection as prescribed by Federal law within Idaho.

Filing Instructions:

Remove and destroy the unnumbered green pages following Part 401.45 (d) (3), State Supplements to the General Manual, page 401-32, signed in 1999 and ALL attachments.

Insert Idaho Amendment ID6, Part 401, Subpart D, Appendix - State Level Agreement between the Natural Resources Conservation Service (NRCS) and the Idaho State Historic Preservation Office (SHPO) and attachments, (green pages) ID401-32 (1) through ID401-32 (53).

We are not requiring field offices to maintain hard copies of national General Manual policy.
