NATIONAL FOOD SECURITY ACT MANUAL
180 - CPA
Idaho Notice No. 21

Subject: National Food Security Act Manual, Circular No. 3, Part 512

Purpose: NFSAM guidance

Effective Date: Upon receipt of this notice

Recently, new updated portions of the National Food Security Act Manual (NFSAM) related to Highly Erodible Land (HEL) compliance for expired Conservation Reserve Program (CRP) land Part 512 was distributed.

Attached is Circular No. 3, Part 512 to provide instruction and guidance for HEL fields returning to cropland production as a result of expiring CRP contracts.

The National Food Security Act Manual can be accessed under the Management section of my.NRCS through the link provided below or by using eDirectives/Manuals/180/National Food Security Act Manual.
