GENERAL MANUAL (GM)
450 - TCH
Amend. No. 25, Part 407 (Subpart D)

SUBJECT: TCH – Spot Checking (Subpart D) GPS Technology for Practice Certification

Purpose. To update the Idaho Policy for using hand-held GPS units to measure completed conservation practices.

Effective Date. This amendment is effective upon receipt.

Explanation of Changes. This amendment to the National General Manual provides guidance for the accuracy required when using hand-held GPS units to certify conservation practices.

Filing Instructions. For a hard copy and future reference this amendment will be posted on the Idaho NRCS Intranet, go to the NRCS.
