

TECHNICAL NOTES

USDA-Natural Resources Conservation Service
Boise, Idaho

February 17, 2011

INDEX FOR AGRONOMY TECHNICAL NOTES

1. Critical Nutrient Ranges in Northwest Crops (WREP Publication 43), December 21, 2007
2. Idaho Commercial Fertilizer Nutrient Management Planner (ICFNMP), December 2007
- 3.
- 4.
- 5.
6. Reservoir Tillage, May 5, 1986.
- 7.
8. Estimating Gross Erosion from Field Measurement of Rill Erosion in Tons/Acre, June 1992 (Rev. 2).
9. Filter Strips for Surface Irrigated Fields, June 2001.
- 10.
- 11.
12. Pacific Northwest Weed Management Handbook, November 30, 2001.
- 13.
- 14.
- 15.
- 16.
- 17.

18. Windows Pesticide Screening Tool, "Pest Management: Pesticide Environmental Risk Assessment using WIN-PST, Version 3.0. December 2006.
- 19.
- 20.
21. Suitable pH Range for Various Crops, July 14, 1982.
22. Idaho OnePlan Nutrient Management Planning Model, revised September 20, 2007.
- 23.
- 24.
- 25.
- 26.
27. Manure Spreader Calibration, September 1990.
28. Weight Per Bushel of Farm Crop Seeds, June 17, 1987.
29. Using Pesticides Safely, October 2006. (revised)
30. Using Chisel – Plant Residue Management Systems to Improve Potato Quality and Protect the Environment, January 1994.
31. Measuring and Estimating Concentrated Flow and Ephemeral Gully Erosion on Cropland, April 24, 1989.
32. Predicting Irrigation Induced Soil Loss on Surface Irrigated Cropland, July 31, 2003 (Rev. 3). (electronic)
33. Pesticide and Pesticide Container Handling and Disposal, October 2006. (revised)
- 34.
- 35.
- 36.
- 37.
- 38.

- 39.
40. Core4 Conservation Practices – The Common Sense Approach to Natural Resource Conservation, August 1999. (Separate 3-ring binder)
- 41.
42. Idaho Fertilizer Guides, web access through University of Idaho, May 24, 2002.
43. Standard Methods for Measuring Crop Vegetation Residues, Yields, May 20, 1983.
- 44.
- 45.
- 46.
47. Irrigation and Nitrogen Management to Improve Nitrogen Fertilizer Efficiency, June 1992.
- 48.
- 49.
50. Soil Tillage Intensity Rating (STIR), August 28, 2006.
51. Idaho's Noxious Weeds, July 1997 (2003 revision), updated December 2007. (electronic)
52. CORE4 – Farm Equipment Identification and Use (Power Point presentation). (electronic)
53. Soil Erosion by Wind and its Control , December 2006. (DVD)
54. Plant Nutrient Deficiency for Idaho Crops, August 2009
55. Tillage and Seeding Equipment Southwestern Idaho (PowerPoint)
56. Cover Crops, October 2010
57. Bed Planting for Sprinkler Irrigated Potato Production, February 2011
