**GENERAL MANUAL
120 – ADMINISTRATIVE SERVICES
AMENDMENT ID 24**

SUBJECT: Part 404 – Land Treatment Long-Term Contracting

Purpose: To transmit priority rating system for determining the priority of applications received within the PL-566 Southern Washington County project area.

Effective Date: Upon Receipt

The State Conservationist shall develop a system for determining the priority in which technical assistance is to be given to eligible applicants for developing plans of operations and contracts. The system shall be so devised to give the highest priority to applicants with the most severe problems as defined in the planned objectives of the project.

Attached is the Priority Rating System for use within the PL-566 Southern Washington County project area.

Questions concerning this amendment should be directed to Mark Weatherstone, Assistant State Conservationist (Technical Resources), at 208-378-5720 or Mark.Weatherstone@id.usda.gov.

Filing Instructions:

File in General Manual 120 – Administrative Services, Part 404 – Land Treatment Long - Term Contracting. Place Amendment ID-24 behind page GM 120-Part 404, Subpart B, page 5, dated October 2006.

IF a manual is kept on site, please copy Idaho Amendments on green paper before inserting into the General Manual.

The current Title 120-General Manual, Part 404- Land Treatment Long-Term Contracting, October/November 2006 can be accessed on the national electronics directives site at <http://policy.nrcs.usda.gov/>. Field Offices are not required to keep a hard copy of the General Manual. This information will be posted on the Idaho NRCS intranet for future reference.
