NATIONAL FOOD SECURITY ACT MANUAL
180-V NFSAM
Idaho Notice No.19

Subject: National Food Security Act Manual, 4th Edition, Parts 514 - 516

Purpose: To distribute new Parts 514-516 of the National Food Security Act Manual.

Effective Date: Upon receipt of this notice

Recently, new updated portions of the National Food Security Act Manual (NFSAM) related to wetlands, (including Part 514, 515 and 516) were distributed. This is the first attempt to update wetland portions of the NFSAM over the last several years.

The new parts can be accessed under the Management section of my.NRCS through the link provided below or by using eDirectives/Manuals/180/National Food Security Act Manual.

<http://directives.sc.egov.usda.gov/viewerFS.aspx?id=3700>

For further information/clarification, contact the appropriate Area or State Office specialist concerning the wetland provisions of the NFSAM.

A handwritten signature in black ink, appearing to read "Rick Noble", written over a white background.

RICK NOBLE
Acting State Conservationist
