Federal Building  
Room 443  
10 East Babcock  
Bozeman, MT  
59715-4704

**ENGINEERING TECHNICAL NOTE NO. MT-14--REISSUED/RENUMBERED TO MT-13  
210-VI**

**Engineering**  
**(406) 587-6828**

**SUBJECT:** ENG – Livestock Water Access and Ford Stream Crossings and Tabulation Sheet

**TO:** All Field Offices

**Purpose.** To distribute reissued/renumbered reference materials and a Montana Tabulation Sheet. On page 6, the "D<sub>50</sub>" labels were missing from the graph Livestock Crossing D<sub>50</sub> Rock Size (inches).

**Effective Date.** When received.

**Filing Instructions.** Remove and discard Montana Engineering Technical No. 14, Livestock Water Access and Ford Stream Crossings dated February 8, 2001. File Montana Engineering Technical Note No. 13, Livestock Water Access and Ford Stream Crossings dated February 20, 2001 in the Montana Engineering Technical Notes binder after Montana Engineering Technical Note No. 12, Land Leveling Design by Computer dated April 1983. Insert the Montana Tabulation Sheet in front of the Montana Engineering Technical Notes.

Please contact Forrest Berg or ReNae Grantier if you have any additional questions.
