**ENGINEERING FIELD HANDBOOK
210-VI
AMENDMENT MT5**

SUBJECT: ENG--DISTRIBUTION OF MONTANA PLANNING AND DESIGN GUIDE
AND OPERATION AND MAINTENANCE GUIDE FOR WATER WELLS DATED 10/93

Purpose. To add the Planning and Design Guide and the Operation and Maintenance Guide for Well MT-642 to Chapters 51 and 52 respectively of the Engineering Field Handbook (Montana Supplement).

Expiration Date. When Filed.

Explanation of Changes. The Planning and Design Guide and the Operation and Maintenance Guide for wells have been completed, reflecting new technology, Montana NRCS policy and State of Montana regulations.

Filing Instructions. File the Planning and Design Guide in Chapter 51 after Waterspreading Systems. File the Operation and Maintenance Guide in Chapter 52 after Grassed Waterways. Please make pen-and-ink changes on pages 51-3 and 52-3, adding the dates of the guides to the end of the line on which 642 Well is recorded.
