DESIGN NOTES

210-VI

AMENDMENT MT2

SUBJECT: ENG--MONTANA DESIGN NOTE 22A, DESIGN OF ROCK CHUTES

Purpose. To transmit a design process to design hydraulic rock chutes as developed by ARS to substitute cancelled NRCS Design Note 22.

Effective Date. This amendment is effective when received.

Explanation of Changes. The Design of Rock Chutes as prepared by ARS can be used as a method to design a rock chute. The current and proper practice standard(s) still apply and criteria and proper engineering approval authority still applies.

Filing Instructions. File the Montana Design Note 22A numerically in the Design Notes handbook. Remove and insert the enclosed Montana tabulation sheet.
