**ENGINEERING FIELD HANDBOOK
210-VI
AMENDMENT MT3**

SUBJECT: ENG--UPDATES TO THE ENGINEERING FIELD HANDBOOK (MONTANA SUPPLEMENT), PART 650

Purpose. To update Chapter 50 of the Engineering Field Handbook (Montana Supplement).

Effective Date. When received.

Explanation of Changes. Montana Construction Specifications MT-107, Rock Riprap and MT-113, Metal Fabrication and Installation, have been updated to include information covering geotextile underlayment and paint requirements for immersed metal. The Construction Specifications Index has been updated to include all Montana Specifications allowed for use and their respective reference dates. The inclusion of all Montana Specifications in the index also necessitated the renumbering of all the pages in Chapter 50.

Filing Instructions. ENGINEERING FIELD HANDBOOK (MONTANA SUPPLEMENT)-- Remove and replace within Chapter 50, pages 50-1 through 50-14, dated 3/93 and 10/1/92, with pages 50-1 through 50-15, dated 10/93. Remove and replace Construction Specifications MT-107 and MT-113, dated 3/93, with MT-107 and MT-113, dated 10/93. Also see TECHNICAL GUIDE NOTICE NO. 166, dated October 13, 1993 for transferring of existing construction specifications to the EFH.
