Montana Supplement to the Engineering Field Handbook
210-VI
AMENDMENT MT25**

SUBJECT: ENG--DISTRIBUTION OF THE MONTANA TABULATION SHEET, TABLE OF CONTENTS FOR CHAPTER 53--ENGINEERING WORKSHEETS, AND A REVISED WORKSHEET FOR CONSTRUCTION SPECIFICATIONS COVER SHEET (MT-ENG-7)

Purpose: To distribute a new Montana Tabulation Sheet, a revised Table of Contents for Chapter 53, pages 53-7 and 53-8, and a revised worksheet MT-ENG-7.

Effective Date: When filed.

Explanation of Changes: The MT-ENG-7, Construction Specifications Cover Sheet has been edited. The "Call Before You Dig" phone numbers have been added to the form. This assists the owner/operator in knowing who to call before beginning any excavation, where there is a potential for utilities. The check boxes have been changed to initial boxes to assure that associated items have been reviewed.

Filing Instructions: Remove and replace Montana Tabulation Sheet in front of the Montana Supplement to the Engineering Field Handbook. Remove and replace the Table of Contents for Chapter 53, pages 53-7 and 53-8 dated March 2002 and January 31, 2002. Remove and replace in the plastic slipcovers in Chapter 53, Montana worksheet, Construction Specifications Cover Sheet MT-ENG-7 dated September 2000 with the revised MT-ENG-7 dated March 2002. The electronic version of the revised worksheet is a doc file listed on the Montana NRCS web site under:
