

STOCKWATER WELL REPORT REQUEST WORKSHEET

Date Submitted: _____ Date Required by: _____

This form has been developed to help field personnel request a geological report for a Stockwater well.

The following data are required for the development of a Stockwater Well Report:

Cooperator: _____

Address: _____ Phone: _____

Well location: _____ ¼, _____ ¼, _____ ¼, Sec. _____, T. _____ (N or S) , R. _____ (E or W)

UTM (North) _____ (East) _____

GPS Yes No Latitude: _____ Longitude: _____ (use decimal degrees)

Error as reported by GPS locator (+/- feet) _____ Datum NAD27 WGS84

Power supply: _____ Livestock class: _____

Required production volume: _____ gallons per minute (g.p.m.)

Seasons of use: _____

Enclose a topographic map showing ALL of the planning unit, actual and planned fences, location of well and pipelines (if any), power lines (if any), and access for drilling equipment.

^{1/} Special considerations and other information:

^{1/} Special considerations include land use restrictions due to ownership, climate, vegetation, cultural, or other conflicts. Other information includes location of springs, seeps, old wells, etc., available from the cooperator or other sources. Data from mbmgwic.mtech.edu site is not required.

Assisted by: _____ Requesting Field Office: _____

Email Address: _____

Area Office: _____
