## Program Changes

### EQIP Statewide Screening criteria

•Tool for managing high volumes of applications

•High priority applications are funded first, then medium, and then low.

## Program Changes

### EQIP/WHIP Local Allocation of Program Funds

#### Potential Factors

- Acres of Rangeland, Cropland, Forestland
- Current Obligation of EQIP contracts
- Payment Percentage in Current EQIP contracts
  - Tribal Acres
  - Miles of 303d streams
    - AMA/INA
    - T&E species
    - Others?

## Program Changes

### Local Questions

•FY2010 Requires local questions for both EQIP and WHIP.

For FY 2011, Local Work Groups will be able to develop their own questions, if they feel the State developed questions don't meet their needs.
