NEW MEXICO BULLETIN NO. 420-11-01

SUBJECT: SSC - CULTURAL RESOURCES WORKLOAD ASSESSMENT

TO: Area Conservationists

Purpose. To Provide Information about Cultural Resource Workload in the Field Offices

Expiration Date. December 31, 2011

DUE TO MARIAN REVITTE BY MARCH 30, 2011

In order to assess and respond to the cultural resources consultation workload for FY 2011, please submit a list of proposed practices that will require cultural resources technical assistance from the State Office or from TSP's this year. Attached is an excel spreadsheet for that purpose. Include both the acreage of the project and the proposed time frame for completion of the project on the spreadsheet. Any state land projects that need to be surveyed by the New Mexico State Land Office should also be noted on the list. The New Mexico State Land Office does keep a list of projects that need to be surveyed. Return the list to Marian Revitte, State Cultural Resources Specialist, by March 30, 2011. If you have any questions, please contact Marian Revitte at (505) 761-4423.
