NEW MEXICO BULLETIN NO. 430-11-1

SUBJECT: SOI – 2011 SOILS PLANNER

TO: All Offices

Purpose. To distribute the 2011 Soils Planner.

Expiration Date. December 31, 2011

We are pleased to announce the release of the 2011 Soil Planner. The 2011 Soils Planner is dedicated to the international work of the National Cooperative Soil Survey (NCASS) and soil scientists around the world. NRCS and other soil scientists in the field use their knowledge to conserve and improve productive lands and address emerging issues such as land degradation and climate changes, as the many examples in the 2011 Soils Planner show.

The Soil Science Society of America have partnered with us in support of this planner. If you have any questions please email [chrishelle.jackson@nm.usda.gov](mailto:chrishelle.jackson@nm.usda.gov).
