NOTES TO MAP USERS:

1. THE INFORMATION CONTAINED IN THIS MAP IS INTENDED FOR USE IN NOTIFICATION OF THE DOWNSTREAM POPULATION AT RISK BY EMERGENCY MANAGEMENT PERSONNEL.
2. BASE MAPPING CONSISTS OF ORTHO MAPS.

MAP LIMITATIONS

1. GANNETT FLEMING MAKES NO WARRANTIES OR GUARANTEES REGARDING THE ACCURACY, SUFFICIENCY, OR COMPLETENESS OF INFORMATION PRESENTED ON THIS MAP. MAPPED LIMITS OF FLOODED AREAS ARE APPROXIMATE AND ARE SUBJECT TO CERTAIN ASSUMPTIONS AND GENERALIZATIONS THAT ARE NECESSARY FOR AND INTRINSIC TO THE DAM FAILURE FLOOD WAVE MODELING AND MAPPING PROCESS. MODIFICATION TO FLOODPLAIN FEATURES CAN SIGNIFICANTLY ALTER THE INUNDATION LIMITS PRESENTED ON THIS MAP. EXTENT OF INUNDATION RESULTING FROM AN ACTUAL DAM FAILURE EVENT MAY DIFFER SUBSTANTIALLY FROM THE INFORMATION PRESENTED ON THIS MAP. IT IS PRUDENT TO ASSUME THAT PERIPHERAL AREAS LOCATED OUTSIDE OF THE DEMARCATED INUNDATION LIMITS COULD ALSO BE SUBJECT TO FLOOD INUNDATION.
