Note: Enrollment acres are initially reported at the end of each fiscal year. Subsequent acreage reports for prior year enrollments are subject to change as acres are finalized through legal surveys, agreements are cancelled or other modifications occur in the fiscal years following initial enrollment. Enrollment numbers for each year are based on acres in active and completed agreements as of the date the data was extracted.

a: In FY 2011, 3 contracts associated with significant acreage were deobligated due to the expiration of funds. These acres are no longer enrolled in HFRP.
