October 5, 2011

IOWA BULLETIN NO. IA210-12-1 **CANCELLED**

SUBJECT: ENG – GUIDANCE ON LATERAL EFFECT FOR MAINTENANCE OR
REPLACEMENT OF TILE LINES

PURPOSE. To notify all offices of guidance to be used until new Iowa Amendment is finalized.

EXPIRATION DATE. September 30, 2013

The previous guidance on lateral effect for maintenance or replacement of tile lines is cancelled. The attached Interim Guidance will be used until the new Iowa Amendment to the National Food Security Act Manual is finalized for all analysis for minimum lateral effect distances when tile is being installed near wetlands.

/s/Larry Beeler, Acting
Richard Sims
State Conservationist
