

Iowa Addendum: Plant Enhancement Activity – PLT16 – Intensive management of rotational grazing.

CRITERIA clarification

Use the National Supplement to Plant Enhancement Activities – PLT16 – Intensive management of rotational grazing.

The minimum number of current pasture/paddocks that can be used is 4 pasture/paddocks.

The minimum number of planned pasture/paddocks for a current 4 pasture/paddock system is 7.

For grazing systems that begin with more than 4 paddocks follow the formula in the national enhancement sheet for PLT 16 to derive the planned number of paddocks that equal a 75% or more increase.

DOCUMENTATION REQUIREMENTS

Complete the National Supplement to Plant Enhancement Activities – PLT16 – Intensive management of rotational grazing.

1. Provide a map showing the location of the field(s) and pasture/paddocks.
2. Grazing management plan (as applicable).
