

Roller Crimper & Cover Crop Workshop

Time: 6-8pm

Date: Wednesday June 5, 2013

Location: Abenaki Springs Farm, 188 Upper Walpole Rd., Walpole NH 03608

Please join Carl Majewski of UNH Cooperative Extension for this Cover Crops Part 2: Next Steps with Cover Cropping Workshop. The workshop will go over cover crop selection and management as well as have a roller crimper demonstration to show how the use of this tool, that is now available to farms in the region, can be adopted as a management technique. There will also be discussion on the financial and technical assistance available through the USDA Natural Resources Conservation Service for these practices.

To register please contact us at amanda@cheshireconservation.org or 603.756.2988 ext.116.

This project is supported by funds from the sale of the Conservation License Plate (Moose Plate) through the NH State Conservation Committee Conservation Grant Program.
