RUSLE2	1	2	3	4	5
Sales	1	2	3	4	5

Do you have specific agricultural education needs that you would address during this training:

- |                       |                                  |
|-----------------------|----------------------------------|
| _____ Rusle2          | _____ Grazing/Pasture Management |
| _____ Specialty Crops | _____ Design/Engineering         |
| _____ Organic         | _____ Other: _____               |

What are 3 main things you hope to learn at this training?

Will you be staying overnight throughout the week?                      Yes                      No
