IOWA BULLETIN NO. IA190-13-2

SUBJECT: ECS - COVER CROPS MANAGEMENT IN RUSLE2.

PURPOSE. To notify employees of upcoming webinars on using RUSLE2 with cover crops.

EXPIRATION DATE. September 30, 2014

Developing management files in RUSLE2 with cover crops in the crop rotation will be the topic for webinar training. The training will cover:

- How to develop a crop rotation that includes cover crops using the management builder in RUSLE2.
- Management systems that are already developed within the Crop Management Zone 4 - Multiyear Management folder and how to modify the management files for use in the field office.
- Common mistakes that create problems with the output of cover crop management files and what to look for when evaluating a management file.

An opportunity to address questions will be available at the end of the webinar.

The webinar will be held at three different times to accommodate field employees' schedules. The webinar will also be recorded for those who are not able to attend one of the three sessions. The dates and times are as follows:

July 25, 2013, at 3:00 p.m. Central time  
July 30, 2013, at 1:00 p.m. Central time  
August 8, 2013, at 1:00 p.m. Central time

The webinar can be accessed at: <https://www.connectmeeting.att.com>.

Call in information: USA Toll-Free 888-858-2144  
Access Code 1205427
