Project Natural Resource Objectives and Concerns

Project Objective(s):

(See page 5, Project Natural Resource Objectives and Concerns (2), a; Detailed Project Description, (3), (e))

Resource Concern(s)*:

(See page 5, Project Natural Resource Objectives and Concerns (2), b)

Project Description

Geographic Area(s):

(See page 5, Detailed Project Description (3), a)

Conservation Practices:

(See page 5, Detailed Project Description (3), d)

Attach a detailed map showing the project area. Include on the map: outlined areas that need conservation treatments, location where conservation treatments are needed, and prioritize the different areas to be treated by labeling the heading (*i.e. Priority 1 - Resource Concern*).

*Use additional sheets as necessary.
