KANSAS BULLETIN NO. KS300-13-63

**SUBJECT: LTP—Conservation Stewardship Program- Fiscal Year
2013 Eligibility**

Purpose. Provide guidance on fiscal year (FY) 2013 Conservation Stewardship Program (CSP 2008) eligibility

Expiration Date. September 30, 2014

All CSP 2008 applications must be updated with 2013 eligibility documents by time of obligation. Field offices (FOs) that are using 2012 eligibility reports with producers' signatures, will need to work with their local Farm Service Agency (FSA) office to get a 2013 MIDAS report. It is the producer's responsibility to work with their local FSA office to make any corrections. We must use the most current (2013) eligibility documents.

Contact: Please forward questions and concerns, through established channels, to Kasey M. Robinson, Acting Resource Conservationist, at (785) 823-4556 or email at kasey.robinson@ks.usda.gov.
