KANSAS BULLETIN NO. KS360-13-23

SUBJECT: PER—Announcement of the Tri-State Leadership Development Program

Action required by: October 18, 2013

Purpose. To recruit participants and announce acceptance of applications for the Tri-State Leadership Development Program (TLDP)

Expiration Date. September 30, 2014

The TLDP is a unique developmental opportunity for Kansas, Arkansas, and Missouri Natural Resources Conservation Service employees (GS-11 or above) with the desire and potential to pursue positions of greater leadership responsibility. The purpose of the program is to enhance participants' leadership and managerial skills to effectively perform in positions of higher authority. While successful completion of the program does not ensure future promotions, it will broaden the participants' perspectives and enhance their leadership and management skills.

Employees interested in applying for the TLDP should submit their application following the instructions in the attached announcement. This will be a collateral duty assignment and participants will be retained in their present position and current duty station.

Contact. For additional information about the TLDP or the vacancy announcement, please contact one of the following Kansas TLDP Board Members: Dan Meyerhoff at 785-625-2588 ext 102, dan.meyerhoff@ks.usda.gov; or Arvil Bass at 785-823-4534, arvil.bass@ks.usda.gov.
