(hereinafter referred to as SCS)

WHEREAS, the watershed plan for Big Creek (Brazos County) Watershed, State of Texas, executed by the Sponsors named therein and the SCS, became effective on the 19th day of August, 1964; and

WHEREAS, in order to carry out the watershed plan for said watershed, it has become necessary to modify said watershed agreement as supplemented; and

WHEREAS, the responsibility for administration of the Watershed and Protection and Flood Prevention Act, as amended, has been assigned by the Secretary of Agriculture to the Soil Conservation Service (SCS); and

WHEREAS, a Supplemental Watershed Plan which modifies the watershed plan dated August 17, 1971 for said watershed has been developed through the cooperative efforts of the Sponsors and the SCS;

NOW, THEREFORE, the Secretary of Agriculture through the SCS and the Sponsors hereby agree upon the following modifications of the terms, conditions, and stipulations of said watershed agreement;

(1) Brazos County Water Control and Improvement District No. 1, Big Creek is no longer a sponsor of the watershed plan for said watershed and discharge their responsibilities to the Brazos County Commissioners Court as recorded in agreement between Brazos County, Texas, acting by and through its duly authorized Commissioners Court, and Brazos County Water Control and Improvement District No. 1, Big Creek acting therein by and through

its duly authorized officers and Trustee Board in the name of the district executed July 9, 1990.

(2) Brazos County Commissioners Court is to be added as a sponsor for said watershed plan for said watershed and is to assume O&M responsibilities of the Brazos County Water Control and Improvement District No. 1, Big Creek, as it relates only to the improvements and structures made to and located on sites 5 and 6, Big Creek Watershed, Brazos County, Texas.

(3) Change the name of Brazos-Robertson Soil Conservation District to Brazos County Soil and Water Conservation District.

(4) Floodwater Retarding Structures Nos. 1A, 2A, 3, 4A and 4B and all Channel Improvements are hereby deleted from the planned works of improvements.

All other terms, conditions and stipulations of the watershed agreement not modified herein remain the same and are agreed to:
