(hereinafter referred to as the Sponsoring Local Organization)

and the

Soil Conservation Service  
United States Department of Agriculture  
(hereinafter referred to as the Service)

Whereas, the Watershed Work Plan Agreement for Tehuacana Creek Watershed, State of Texas, executed by the Sponsoring Local Organizations named therein and the Service, became effective on the 26th day of June, 1959; and

Whereas, the Supplemental Watershed Work Plan Agreement Number I executed by the Sponsoring Local Organizations named herein and the Service, became effective on the 18th day of March, 1960; and

Whereas, in order to carry out the watershed work plan, as supplemented, for said watershed, it has become necessary to modify said Watershed Work Plan Agreement, as supplemented;

Whereas, that portion of Tehuacana Creek Watershed formerly within the Navarro-Hill Soil and Water Conservation District is now within the Hill County-Blackland Soil and Water Conservation District because of changes in the boundaries of said districts; and

Whereas, the Hill County-Blackland Soil and Water Conservation District becomes a co-sponsor and accepts all responsibilities theretofore assumed by the Navarro-Hill Soil and Water Conservation District; and

Whereas, the Navarro-Hill Soil and Water Conservation District is relieved of its commitments and responsibilities and ceases to be a co-sponsor; and

Whereas, it has been found necessary to modify the Watershed Work Plan Agreement, as supplemented, to comply with the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Public Law 91-646, 84th Stat. 1894);

Now, therefore the Sponsoring Local Organization and the Service hereby agree upon the following modification of the terms, conditions, and stipulations of said Watershed Work Plan Agreement, as supplemented:

1. A paragraph is added to the Supplemental Watershed Work Plan Agreement Number I to read as follows:

The Sponsoring Local Organization will provide relocation advisory assistance services and make the relocation payments to displaced persons as required by the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Public Law 91-646, 84th Stat. 1894) effective as of January 2, 1971, and the Regulations issued by the Secretary of Agriculture pursuant thereto. Prior to July 1, 1972, the Sponsoring Local Organization will comply with the real property acquisition policies contained in said Act and Regulations to the extent that they are legally able to do so in accordance with their State law. After July 1, 1972, the real property acquisition policies contained in said Act shall be followed in all cases.

The Service will bear 100 percent of the first \$25,000 of relocation payment costs for any person, business, or farm operation displaced prior to July 1, 1972. Any such costs for a single dislocation in excess of \$25,000 and all costs for relocation payments for persons displaced after July 1, 1972, will be shared by the Sponsoring Local Organization and the Service as follows:

	<u>Sponsoring Local Organization</u> (percent)	<u>Service</u> (percent)	<u>Estimated Relocation Payment Costs</u> (dollars)
Relocation Payments	35.90	64.10	0 <u>1</u> / <sub>100</sub>

1/ Investigations have disclosed that under current conditions the project measures will not result in the displacement of any person, business, or farm operation. However, if relocations become necessary, relocation payments will be cost-shared in accordance with the percentages shown above.

2. An additional paragraph is added to read as follows:

The program conducted will be in compliance with all requirements respecting nondiscrimination as contained in the Civil Rights Act of 1964 and the regulations of the Secretary of Agriculture (7C.F.R. 15.1-15.12), which provide that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any activity receiving Federal financial assistance.

3. The Sponsoring Local Organization and the Service further agree to all other terms, conditions, and stipulations of said Watershed Work Plan Agreement, as supplemented, not modified herein.
