

71°30'00" 71°27'30" 71°25'00" 71°22'30"

This soil survey was compiled by the U.S. Department of Agriculture, Natural Resources Conservation Service and cooperating agencies. Base maps are orthophotography prepared by the U.S. Geological Survey, from 1995 and 1996 aerial photography. Culture and hydrography annotation were acquired from the U.S. Geological Survey. The hydrography layer was developed as part of the soil mapping effort by field soil scientists and approximates the features represented on the publication orthophotography. North American Datum of 1983 (NAD83), GRS80 Spheroid, 1000-meter ticks; Universal Transverse Mercator, zone 19. Coordinate grid ticks and land division data, if shown, are approximately positioned.
