

TABLE 1.—Approximate acreage and proportionate extent of the soils

Soil	Acres	Percent
Brundage association, nearly level	42,700	5.2
Brystal soils, gently undulating	11,100	1.4
Catarina association, gently undulating ..	68,400	8.3
Copita fine sandy loam, 1 to 3 percent slopes	1,300	.2
Copita sandy clay loam, 0 to 1 percent slopes	800	.1
Copita sandy clay loam, 1 to 3 percent slopes	12,200	1.5
Copita association, gently undulating	108,700	13.2
Dant association, gently undulating	43,200	5.2
Darl association, nearly level	3,600	.4
Elindio silty clay loam, 0 to 1 percent slopes	6,100	.7
Elindio silty clay loam, 1 to 3 percent slopes	7,400	.9
Elindio silty clay loam, 0 to 1 percent slopes, saline	1,600	.2
Elindio silty clay loam, 1 to 3 percent slopes, saline	2,900	.3
Elindio association, nearly level	102,400	12.4
Jimenez association, rolling	63,400	7.7
Lagloria very fine sandy loam, 0 to 1 percent slopes	7,400	.9
Lagloria very fine sandy loam, 1 to 3 percent slopes	4,800	.6
Laredo silty clay loam, 0 to 1 percent slopes	5,900	.7
Laredo silty clay loam, 1 to 3 percent slopes	500	.1
Mavco loam, 1 to 3 percent slopes	1,200	.1
Mavco association, gently undulating	21,500	2.6
Maverick clay, 1 to 3 percent slopes	200	(¹)
Maverick association, undulating	25,300	3.0
Mercedes association, depressional	3,400	.4
Montell clay, 0 to 1 percent slopes	7,000	.8
Montell association, nearly level	106,000	12.9
Olmos association, undulating	17,200	2.1
Pryor clay loam, 0 to 1 percent slopes	2,300	.3
Pryor clay loam, 1 to 3 percent slopes	4,400	.5
Pryor association, undulating	87,700	10.6
Quemado association, undulating	7,500	.9
Reynosa silty clay loam, 0 to 1 percent slopes	500	.1
Rio Grande very fine sandy loam	3,100	.4
Rio Grande and Zalla soils	4,900	.6
Verick association, undulating	13,800	1.6
Verick and Zapata soils, 1 to 8 percent slopes	1,000	.2
Zapata association, undulating	19,730	2.4
Water areas (includes ponds of more than 40 acres, main irrigation canal, and one-half of Rio Grande)	3,830	.5
Total	824,960	100.0

¹ Less than 0.05 percent.
