This soil survey was compiled by the U.S. Department of Agriculture, Natural Resources Conservation Service, at the request of the Department of the Interior, National Park Service. Base maps are orthophotographs prepared by the U.S. Department of Agriculture, Farm Service Agency, from 2006 - 2010 aerial photography. Cultural information was acquired from USGS topo maps and other sources. Hydro information was derived from USGS topo maps and ortho-photography. Park Boundary information was obtained from the National Park Service - 2008. Soil information was derived from USDA/NRCS Soil Survey Geographic (SSURGO) database for North Cascades National Park Complex, March, 2011. North American Datum of 1983 (NAD83).
