

Soil Survey of Cowlitz County, Washington

CD-ROM Version April 2006

Welcome! This CD contains information about the soils of Cowlitz County, Washington. Click on a subject of interest or browse the CD to view the files.

Soil Survey Manuscript

This document contains general information about the survey area, the general and detailed soil map unit descriptions, the taxonomic unit descriptions, and the soil interpretation and soil properties tables.

General Soil Map

The general soil map shows the survey area divided into groups of associated soils called general soil map units. This map is useful for planning the use and management of large areas. Click on the general soil map unit names in the legend to view the map unit descriptions.

Detailed Soil Maps

The detailed soil maps can be useful in planning the use and management of small areas. From the Index to Map Sheets, click on any quadrangle to view the soil delineations and map unit symbols in the survey area. For instructions on printing the maps, [click here](#). For instructions on split-screen viewing, [click here](#).
