USDA is an equal opportunity provider, employer, and lender.

Page 1 March 2020

ABOVE GROUND RESOURCES

Describe all above ground resources (buildings, structures, objects, or landscape sites) and their estimated ages on the farm that may be affected by the proposed undertakings. Also describe the potential effect. (Direct effect examples - demolition, physical modification, and repair; Indirect effect examples - introduction of buildings, alteration of land use, visual impacts, foreseeable development)

Undertakings that have the Potential to Affect Cultural Resources

No.	Undertaking (Practice number and Size Included in the Undertaking) (acres, feet, ft², ft³, no., etc.)	Max. Depth of Anticipated Disturbance ¹	APE, Acres of Undertakings Reviewed	Has area been previously disturbed? ²
	Total Number of Undertakings Reviewed = See Page	1 Total Acres =	See Page 1	

¹ Please use **Additional Notes to the Reviewer** on Page 2, if needed, to clarify depth of disturbance.

ARCHAEOLOGICAL RESOURCES

Areas Investigated - Provide information for each Investigation Conducted. Each Investigation must be its own column.

Which undertakings?			
Size of Investigation (acres)			
Type of ground cover			
Percent of ground visible			
Primarily hydric soil (Y/N)?			
Percent slope			
Feet to perennial water			

² If checked, please describe disturbance in **Previous Disturbance** on Page 2.
