(IA Instruction 210-388 First Edition – August 2014)

IOWA INSTRUCTION 210-388 - IMPLEMENTATION AND CERTIFICATION OF ENERGY PRACTICES

1. PURPOSE.

To provide notification of an implementation and certification form for energy related practices.

2. EXPLANATION:

A new form, **IA-ENG-25 “Farm Energy Improvement Practices Implementation & Certification Record,”** has been posted for the use with engineering practices 374 – Farmstead Energy Efficiency; 670 – Lighting System Improvement; 672 – Building Envelope Improvement, and any other related energy practices.

This engineering form shall be used for the implementation and certification of energy related practices as planned by an energy audit created for one of the previously mentioned engineering practices or for Conservation Activity Plan (CAP) 122 or 124. The form is available on the IA NRCS Engineering Forms webpage at the address noted below.

http://www.nrcs.usda.gov/wps/portal/nrcs/detail/ia/technical/engineering/?cid=nrcs142p2_008217

If you have any questions regarding the use of the form please contact your respective Area Engineer or contact the State Environmental Engineer, at (515) 284-4357.
