

Documentation of Appliances

Landowner Name: _____

Property Address: _____

If there are appliances that landowners/tenants want to remove from the property and take with them when moving, those appliances must be documented on this worksheet. This worksheet will be provided to the appraiser in advance of the appraisal being completed. Any appliances listed on this worksheet will not be factored in the appraisal.

Once the worksheet is acknowledged by NRCS, changes cannot be made. Only the appliances listed may be removed from the property.
